Application for Swedish for Immigrants (SFI)

The Adult Education in Varberg is planning to start Swedish for Immigrants (SFI) courses for Ukrainian refugees in the autumn of 2023.

If you wish to study SFI, you are welcome to apply through the e-service on our website: www.varberg.se/vuxenutbildningen/utbildningar/sfi

Please note that you don't have to log in to apply and no personal identification number (personnummer) is required. It's important that you apply as soon as possible so we can determine how many are interested in starting SFI.

SFI during daytime is for students who are not working or on parental leave. SFI during evening hours is for students who are working or on parental leave during the day.

The daytime schedule is Monday to Friday, 3 hours per day. Please indicate in your application whether you prefer morning or afternoon classes. We will try to accommodate your preferences, although we cannot guarantee a specific schedule.

The evening schedule is on Mondays and Thursdays from 17:00 to 20:00.

Welcome with your application!

The Adult Education

Lynn Balheden
Education Coordinator SFI
